

## ***WorkFirst Performance Indicators for Local Planning Areas***

---

Agency partners in Washington's WorkFirst program work together at the local level to administer and deliver TANF cash assistance and employment services within areas designated as **Local Planning Areas (LPAs)**. Within each LPA, agency partners can communicate, collaborate, and share resources to provide services that respond to local needs.

This report summarizes LPA-level WorkFirst performance indicators for the Government Management, Accountability, and Performance (GMAP) initiative. A report is available for each of the state's 26 LPAs. Each report includes caseload and performance data pertaining to the most recent 3-months, the prior three months, and the same 3-month period one year ago. Table specific notes are shown below each table, and each LPA table is set print in landscape format.

### Hints to effectively use this report:

- Each LPA is on a separate worksheet tab. Use the LPA Directory to jump to an LPA of interest.
- An LPA map is located at the bottom of the LPA Directory.
- Click on the link at the top of each LPA page to return to the LPA Directory.
