

WorkFirst Performance Indicators for Local Planning Areas

Agency partners in Washington's WorkFirst program work together at the local level to administer and deliver TANF cash assistance and employment services within areas designated as **Local Planning Areas (LPAs)**. Within each LPA, agency partners can communicate, collaborate, and share resources to provide services that respond to local needs.

This report summarizes LPA-level WorkFirst performance indicators for the Government Management, Accountability, and Performance (GMAP) initiative. A report is available for each of the state's 26 LPAs. Each report includes caseload and performance data pertaining to the most recent 3-months, the prior three months, and the same 3-month period one year ago. Each LPA table is set to print in landscape format.

Hints to effectively use this report:

- Each LPA is on a separate worksheet tab. Use the LPA Directory to jump to an LPA of interest.
- An LPA map is located at the bottom of the LPA Directory.
- Click on the link at the top of each LPA page to return to the LPA Directory.

Notes:

Rates and figures colored blue (or gray) should be interpreted with caution because they were derived from low denominators (<50) and may not be stable over time.

N/A indicates that there were no outcomes in the three month period for comparison to the state or to other periods.
